

MEMORANDUM FOR ALL RCG/RCS/CC/CCU/RST

2 Feb 01

FROM: AFRS/RSO
550 D Street West, Ste 1
Randolph AFB TX 78150-4527

SUBJECT: Enlisted Accessions Command JQS Implementation

1. The new Command JQS for Enlisted Accessions recruiters has been posted in the AFRS Training public folder under the title "JQS." Significant changes include added tasks, changes in critical tasks, new 4, 8, and 12-month training evaluations, deletion of adequate training evaluations, and early certification after the 8-month evaluation.
2. Effectively immediately, due to added tasks and significant changes in critical tasks, training records will be transcribed onto the new JQS for all recruiters who have not completed their 6-month evaluation. Additionally, AFRISS functionality is now addressed within the new JQS, rendering the AF Form 797 for AFRISS obsolete.
3. Recruiters who have completed their 6-month evaluation are not affected **in any way** by this implementation.
4. Squadron trainers are tasked with adjusting evaluation due dates on the AF Form 1098. Recruiters currently due their 3-month evaluation will be given the new 4-month training evaluation. Recruiters, who have already had their 3-month evaluation, next evaluation will be the 8-month evaluation.
5. AETCI 36-2210 is currently under revision. This letter supersedes guidance currently in AETCI 36-2210 concerning 3, 6, and 9-month training evaluations. Early certification recommendations will now be following the 8-month training evaluation.
6. Please direct any suggestions or questions to MSgt Drue, HQ AFRS/RSOT at DSN 487-4710/COML (210) 652-4710.
